**(B) Translate the following paragraph in Gujarati : 5**

Traditionally, women were considered to be caretakers of home. They had to look after the running of the family smoothly, they had to manage the expenses in the most economical way possible, they had to look after the aged in-laws, nurture the child, etc. They were expected to obey orders of their husband, the elders of the family, but kept in isolation when it came to major decision related to the family. The women were not too educated in the past eras. They would be married off one day and sent to the in-laws. There were women in older days too, who were well educated and led paths of success in many sphere of life, because of support from their families. It is these women who led paths of change and brought about a transformation in the way people viewed women in the society. The scenario of women is slowly changing in recent years. We can see a slow and steady rise of women in all fields of importance. Women of today are not just restricted to cooking and taking care of their households, they have to step out their comfort zones to create their own images in the outside world as well. This is, in short, can be termed as women empowerment. Society has now changed its stand and the way it looks at

women, due to the progress achieved by women in all spheres of life. Men today are more understanding towards the women in their lives, yet we hear many cases of harassment against women.

(C) Translate the following paragraph in English : 5

વાંચન આપણને આનંદ અને જ્ઞાન બંને આપે છે. આ એક એવી આદત છે જે એકલતા અને કંયાળાથી મુક્તિ આપે છે. પુસ્તક એટલે શ્રેષ્ઠ મિત્ર તરીકે ઓળખાય છે. વાંચન આપણને જુદી જ દુનિયા માં લઈ જાય છે. વ્યક્તિ ઘડતરમાં વાંચનનું વિશેષ મહત્વ છે. બાળકોને વાંચનની શરૂઆત વાર્તાઓ થી કરાવો. સમય જતા તેઓ પોતાના રસ મુજબના પુસ્તકો વાંચતા થશે. જ્યાં બાળકો માતા પિતા ને વાંચતા જુએ છે ત્યાં આ ટેવ બાળકોમાં સ્વાભાવિક રીતે વિકસે છે.
